What is Clubmark?

Clubmark is the universally acknowledged cross sport accreditation scheme for community sports clubs. It stands for:
- Higher standards of welfare, equity, coaching and management in community sports clubs.
- Making sure the nation’s sports club infrastructure is safer, stronger and more successful.

It shows that a club provides the right environment which ensures the welfare of members and encourages everyone to enjoy sport and stay involved throughout their lives. An accredited club is recognised as a safe, rewarding and fulfilling place for participants of all ages as well as helping parents and carers know that they’re choosing the right club for their young people.¹

You can find more information about Clubmark, what it involves and how to apply on the Club Matters website. British Dodgeball fully supports the Clubmark scheme and encourages all community dodgeball clubs to work towards gaining Clubmark accreditation. To assist clubs in the application process, British Dodgeball provide editable document templates alongside this Clubmark Guide (simply follow the links or find them on the resources page of our website). For further assistance with Clubmark, email our Club Development Activator - aden@britishdodgeball.com.

It is recommended you have the following in place before beginning the accreditation process. British Dodgeball provide many of these as editable templates for your club’s convenience on our club resources page. It is essential that:

1. You edit these documents so that everything contained within applies specifically to your club.
2. You implement any policies or processes mentioned within these documents so that they accurately reflect your club activities.

Necessary Training / Qualifications

Coaching Qualifications
A valid dodgeball coaching qualification is necessary for coaching dodgeball. British Dodgeball offer a range of qualifications ranging from an intro course to a Level 3 coaching qualification on our qualifications page. See which are right for your coaching needs:

Introductory Workshop: For people who want to learn the basics of the sport. Ideal for: youth club workers, primary teachers

Leaders Qualification: For young people aged 10-19 who wish to start their dodgeball coaching journey.

Level 1 Qualification: This qualifies you to act as an assistant coach (or to coach dodgeball unsupervised if you hold a level 2 coaching award in another sport).

Level 2 Qualification: This takes your coach education to the next level and qualifies you to act as an unsupervised coach or head coach.

Level 3 Qualification: This is a top-level qualification which shows the coach to hold a high level of both dodgeball and coaching knowledge. This qualifies you to coach dodgeball activity for varying groups.

Safeguarding Training
Safeguarding training is essential if your staff work with children or vulnerable adults. Your staff can complete the NSPCC's Child Protection in Sport online course here. This takes approximately 3 hours to complete online and costs £20pp. Safeguarding training can sometimes be accessed for free or part-funded through your County Sports Partnership/local council; enquire to see if they can help. Find your specific County Sports Partnership here (this applies to England only).

First Aid Qualifications
It is necessary to have at least one first aid trained individual at your sessions if your venue does not provide this service. St John's Ambulance provide Basic First Aid and Essential First Aid training courses for £25pp that take 3 hours to complete. Enter your postcode into the website to find local courses. Again, see if your County Sports Partnership can help with funding or part-funding this. Find your specific County Sports Partnership here (this applies to England only).
Enhanced DBS Checks

Check the flow chart below to see what DBS checks (if any) are necessary for staff. You can find an umbrella body to apply for DBS checks through [here](#), but most County Sport Partnerships/City Councils offer this service too. The price of DBS checks vary depending on the type (Voluntary Enhanced DBS with barred list check (£10–£20) or Enhanced DBS with barred list check (£44–£60)). This can be funded/part-funded through your County Sport Partnership in some cases, particularly if you are starting a new targeted session. Find your specific County Sports Partnership [here](#) (this applies to England only).

If you are in Northern Ireland, you can apply through Access NI. An Enhanced check costs £33 but volunteers can apply for free. If you are in Scotland, you can apply through an umbrella body to Disclosure Scotland. Volunteer Scotland are one such umbrella body which can process volunteer enhanced DBS checks for free if your club signs up and meets certain criteria.
