British Dodgeball Manchester Dodgeball League - 2

The pilot for the British Dodgeball Manchester Dodgeball League was a great success with over 100 participants taking part over 5 rounds. Thanks to this successful pilot league we are starting the next city league from the end of September. The aim of the league is to create a new opportunity that will attract new dodgeballers into the game and also provide more game time for existing member clubs and players.

Dodgeball is a fun, very social, mixed sport that can be as much or as little of a workout as you like. If you fancy having a go, or want to ask us some questions before you take part, please get in touch via aden@britishdodgeball.com

Dodgeball is an inclusive sport where absolutely anyone can have a go. The league is open to any club, university, group of mates, work colleagues, other sports team, you don't even have to be from Manchester to take part. Our British Dodgeball leagues are run in a professional way and are a great way to get into a new sport. The league may be split into 2 or more divisions depending on the number of entries so we will ensure you have competitive matches against players of a similar standard to you.
