

Club and Team Kit Guidance

British Dodgeball has put together the following guidance and advice for club and team kit. We want all players taking part in our events to look the part, wear clothing suitable for the sport they are playing and be proud of their team crest and colours.

British Dodgeball promotes and supports the sustainability and longevity of the sport and understands that there are costs associated with purchasing team kit. This can be considerable depending on what supplier you use. Our priority is for you to play dodgeball, whether this is at your club training sessions or entering our leagues and events. If purchasing expensive club kit is getting in the way of you being able to afford to play then this is not something we want to happen.

Super Leagues and Championships

All players competing in the same team in Super League or Women's Super League events, or the British Championships, should wear coordinating uniforms. This should include bottoms of the same colour (a mixture of styles is permitted), and tops of the same colour and design. It is recommended that all players wear tops of the same design but understand that with new players joining and time delays on kit orders and costs it is sometimes necessary for players to wear older designs for a certain period of time. We highly recommend that playing tops feature unique numbers on either the front or back or both, as this can help our referees identify players and facilitate a more flowing game of dodgeball, (numbers may be attached separately).

Other Leagues and Open Competitions

At our regional and open competitions there are a range of teams and clubs. Our established clubs should be in a sustainable position where they are wearing coordinating uniforms. For new teams and clubs we understand that to do so is not an immediate priority as playing the game comes first. We do however ask that all players competing in our open events wear tops of the same colour.

Recommended Suppliers

Our apparel partner is Kappa where British Dodgeball member clubs can gain a 40% discount. Their 2020/21 season catalogue is available to view [here](#). You can contact our Kappa retailer MJM Sports via info@mjm.co.uk. MJM Sports also offer the opportunity for you to host a club shop on their site, see example here from [Altrincham Dodgers](#). This can be a great opportunity for your club to promote and sell your kit in a way that generates an income to support the club.

Get in Touch

Any questions on kit, including clarification of where tops are considered the same style, should be sent to hello@britishdodgeball.com. Where adherence to any rules and regulations around equipment or clothing is not considered possible on medical or religious grounds, this should be raised with the rules and disciplinary committee in advance of the first relevant event or fixture.
