If any team does not take their place in the junior championship, the place will be allocated to the next best-placed team in the league which the qualifier competed in.

EOI wildcard entries are offered to those teams that have expressed an interest in competing in the Championships at a particular age group but they have been unable to compete in a league due to location. Where there are more expressions of interest than available wildcard places the British Dodgeball Technical Committee will determine which teams are most deserving of a place based on prior commitments to British Dodgeball Leagues and Events.
