

British Dodgeball Technical Committee

The British Dodgeball Technical Committee is made up of the following members of staff and club members:

Aden Woodall	British Dodgeball, Manchester Bees
Alex Nelson	Nottingham Sheriffs
Ben Hoyle	British Dodgeball
Caitlin Zealley	Derby Phantoms
Gareth Lewis	British Dodgeball
James Robinson	British Dodgeball, Chippenham Chargers
James Owen	Canterbury Crocodiles
James Wagstaff	Leeds Owls
Sam Mason	Bedford Rangers

As per point 7 of the British Dodgeball Disciplinary Policy a panel of 3 members of the technical committee will manage a complaint when required.

The only members of the Technical Committee that have access to the email address disciplinary@britishdodgeball.com are Ben Hoyle & Gareth Lewis, this is to manage any conflicts of interest as they are not members of clubs who compete in the British Dodgeball National Leagues or events. They will not manage or be a part of every panel that is created but delegate relevant complaints to appropriate panels when necessary.
