As per point 7 of the British Dodgeball Disciplinary Policy, a panel of 3 members of the technical committee will manage a complaint when required.

The only members of the Technical Committee that have access to the email address disciplinary@britishdodgeball.com are Ben Hoyle & Gareth Lewis; this is to manage any conflicts of interest as they are not members of clubs who compete in the British Dodgeball National Leagues or events. They delegate relevant complaints to appropriate panels when necessary, following the British Dodgeball Conflicts of Interest Policy.
