Passing the Course

Once a candidate has demonstrated adequate understanding of the assessment criteria, they have successfully completed the Level 1 Award in Coaching Dodgeball. Candidates that do not satisfy all assessment criteria will not pass and must retake the course in the future.

Level 1 - Online

Conditional Pass

Tutors may decide that although certain candidates did not satisfy all criteria, they were very close to showing competencies in all areas. At their discretion, tutors may award a conditional pass - a pass on the condition that the candidate undertakes activities in order to develop an area of weakness. Further activity examples:

1. Shadow a qualified Level 2 coach for a number of sessions.
2. Write a 300-word reflection on specific aspects of their coaching and how you may apply these. The specific aspects should be linked to the criteria which the candidate has failed to satisfy during the course.
3. Complete a targeted post-course written task provided by British Dodgeball.

Reflections will be assessed at the tutor's discretion whilst an assignment will be marked by a tutor formally adhering to the mark scheme. A deadline of 28 days will be applied to any tasks which candidates are asked to undertake, and the tutor will provide an email address at which the candidate must send the work. Upon receipt of the task, the tutor will have a maximum of 28 days to assess and award a pass or fail decision.

Appeals

Candidates who are not awarded with a pass may appeal the decision. To do so, they must contact hello@britishdodgeball.com within 7 days of the fail decision with the following information:

- Course details
- Any reasons given for not awarding a passing grade
- Any relevant evidence such as a copy of further tasks completed should be attached
- Email contact details for a response

The decision will be taken by three British Dodgeball staff members. They will use information given within the complaint, and a statement from the tutor or other participants if relevant, to come to a decision to uphold the appeal or the original decision. A decision will be made within 28 days of the appeal being submitted.

Certification

An E-certificate will be issued upon notification of a candidate passing the course. This will be emailed out once the participant has passed the course providing any outstanding invoices have been paid. Any participants waiting for a certificate that have completed the steps outlined above should wait for up to 10 working days before emailing hello@britishdodgeball.com with any enquiries.
